DEA NARCOS - Javier Pena & Steve Murphy... and The True Story of Pablo Escobar

You may have seen TV shows and documentaries, or read books about the world's wealthiest, and most violent drug trafficker, but now you have the opportunity to hear the real story of what happened in the investigation of Pablo Escobar and the Medellin Cartel.

DEA special agents Javier Peña and Steve Murphy were assigned as the lead investigators targeting Escobar and his organization. These true American heroes provide a first-hand lesson in history as they discuss their efforts bringing down the world's first narco-terrorist, the challenges they faced in oftentimes hostile and life-threatening environments, and the innovative strategies they employed to successfully end the reign of terror of the world's most wanted criminal. Their presentation is followed by a Q&A opportunity during which Javier and Steve will entertain questions related to their investigation, the making of Narcos, what history changing investigation is next for them, and more.
