## If My Body Were a Car

If my body were a car, this is the time I would be thinking about trading it in for a newer model.

I've got bumps and dents and scratches in my finish and my paint job is getting a little dull, but that's not the worst of it.

My headlights are out of focus and it's especially hard to see things up close.

My traction is not as graceful as it once was.

I slip and slide and skid and bump into things even in the best of weather.

My whitewalls are stained with varicose veins.

It takes me hours to reach my maximum speed.

My fuel rate burns inefficiently.

But here's the worst of it --

Almost every time I sneeze, cough or sputter...either my radiator leaks or my exhaust backfires!

## Book Drive

Sunrise Rotarians are collecting books again for Prospect Elementary's Little Library. We'll culminate our efforts Dec. 13th when the school hosts us for breakfast and a Christmas musical program. Last year, we presented the school with approximately 1,000 books. Cheryl Dunson will store books at her office until the club makes the presentation to the school.
